

# RT30 Walkie Talkie

1. Unique design, owl cartoon shape;
2. With two keys, easy operation, suitable for children;
3. With the same frequency intercommunication, PMR/FRS frequency, can intercommunicate with other walkie-talkies;
4. ABS environmental protection material, exquisite high-end;
5. Owl eye LED indication.

Model	RT30
Frequency	US:467.5625MHz EU:446.09375MHz
Channel number	1
Channel spacing	12.5KHz
Operating voltage	3.6-4.5V
Battery type(without battery)	3 x AAA
Frequency stability	±2.5ppm
Operating temperature range	-20℃-50℃
Antenna impedance	50Ω
Overall dimensions	119*47*29mm/4.69*1.85*1.14in
Weight	48g/1.69oz
Rf power	0.5W
